WEINER-BEGO ADVENTURE

fiction by julian del valle jr.

A naked form was tightly locked on top of Jerry. A hard penis was wedged all the way up into Jerry's anal passage. The large piston was sliding in and out in great powerful strokes . . . . . .

"Richardsville, population-210", interrupts Hanley as Jerry is brought back to earth.

Both Jerry and Hanley are on a trip to Bay City U.S.A., in their new Weiner-Bego mobil home.

Both Jerry and Hanley are good looking and well built. Both are good friends. Jerry is twenty-two years old, blond hair and blue eyes. Hanley is twenty-four years old, black hair and brown eyes.

Leaving the city limits of Richardsville, our weiner-bego dudes encounter a husky, dark-haired youth of about twenty years old, standing by the roadside, thumbing for a ride.

"Hop in friend", Jerry calls out.

After exchanging greetings, the stranger was glad to have been taken aboard this four-wheel traveling house.

After introducing each other, the stranger, whose name is Gabe, is given a can of ice-cold beer from the ice-box.

"This is a swell way to travel", explains Gabe.

"Where're you heading?", Hanley asks.

"I'm going to Kanton", Gabe answers.

"Kanton is on the road to Bay City", adds Jerry. "We'd be happy to take you there."

Gabe is a handsome young man and both Jerry and Hanley know it. In less than as hours drive, the driver switches position with Jerry. Their new friend, Gabe, walks to the only average size bed in the wheelhouse. From the bed side, a view of the front seat is available. At one time Gabe sees both Jerry and Hanley hold hands and kiss.

The only thing in Gabe's mind is the one-hundred and seventy-five mile ride, which beats walking any time, but his front seat friends have other ideas in mind.

The late afternoon sun falls and Hanley joins Gabe in the bedroom. Gabe is asleep. Hanley takes this opportunity to have some fun with his new friend.

He moves to un-zip Gabe's fly and unbuckle his pants. Moments later, he takes Gabe's limp penis in his hand. Gabe is still asleep as Hanley begins to manipulate it. Hanley's hands caresses and strokes Gabe's eight inch tool. Gabe's penis begins a slow erection. His erection increases from the action.

At this point, Gabe wakes up to find Hanley eagerly bending his head down and beginning sucking and kissing the enormous penis. Hanley is an expert. He licks, sucks and tongue-whips the throbbing piston into his wide-open mouth. Not knowing what to do, Gabe enjoys the action which is new to him.

Gabe's entire penis is exposed to Hanley's wickedly licking tongue and sucking lips.

With all this excitement, Gabe is stripped, almost.

without his knowing. Gabe lies naked in bed with Hanley. Hanley sucks the penis half-way into his mouth. He started to lick it wildly with his tongue. He begins a slow up and down motion, pulling the penis farther and farther into his mouth, then he sucks it vigorously. Hanley's mouth opens even wider to take in all the length of the throbbing penis. At the same time Hanley's left hand reaches down to caress Gabe's generous testicles. Gabe is entranced as Hanley begins circling his lips around the end of Gabe's stiffening organ, as he moans and sighs savagely with sexual pleasure. Hanley works into the deliberate motion and Gabe's red-hot organ is sucked further into Hanley's mouth, where it is sucked even more with great force.

At this time Hanley removes the penis from his mouth, to come up for air. Gabe holds his enormous tool proudly up for Hanley to view as he tells Hanley,

"Let me shove it up your ass."

"In due time, baby", answers Hanley.

Hanley whispers a command to the eager stud. Gabe moves near to the edge of the small bed and spreads his legs.

At this point, Hanley kneels next to the edge of the bed where Gabe's enormous testicles hang. Hanley presses his mouth down to Gabe's ass-hole. Gabe lies down on the bed with his legs spread far apart so Hanley gets a good view of his buttocks. Hanley runs his tongue, circling and licking Gabe's ass-hole. Then he ramed his stiff tongue in and out of Gabe's ass-hole, with great powerful strokes, driving Gabe out of his mind.

Hanley continues sucking Gabe's piston. Hanley opens his mouth wide and Gabe jams his large cock full into his mouth. Gabe's hands hold Hanley's head tightly against his loins so Hanley is unable to pull back. Seconds later Gabe squirts his blazing semen, full, into Hanley's receptive mouth. Hanley's body quivers with passion, as he hungrily sucks and swallows all of Gabe's emissions.

Hanley dosen't draw back from the squirting torrent he unleashes. Rather, he sucks harder to better swallow all Gabe has to give.

Minutes later, Jerry calls Hanley to exchange driver again, while the evening sunset, is disappearing into the sunset.

Hanley takes the wheel as Jerry walks over to the ice-box for a cold beer. Gabe remains naked in bed, all exhausted. Our trio continue on their journey to Bay City which is, by now, less than three-hundred miles away.

Some time later, Jerry finishes his beer and walks a few feet to Gabe's bed-side. Gabe opens his eyes as Jerry removes his clothing and is in the buff in a matter of seconds.

Both naked, Jerry moves his body to his, and their mouths lock tightly. Gabe is very much surprised because he had never been kissed by a male before. Gabe opens his lips to catch Jerry's tongue. He sucked hard on it and relished the taste of his saliva. He sucked as much of his tongue into his own orifice as he could.

Moving his hand downward, Jerry gets hold of Gabe's semi-erect penis. Gabe's erection increased from the action and it was slipping between Jerry's thighs.

The anal lover whispered into Jerry's ear, "Let me fuck you."

"My ass is all yours", answered Jerry with assurance.

Gabe has a good body with no flab. His penis is eight inches long. Gabe moves to turn Jerry face down for the fucking entry . . . . . .

"Not so fast, angel baby", Jerry whispered. "First of all, I've got to taste you . . . . . all of you."

Jerry drops his head to Gabe's chest where he acquaints himself with Gabe's nipples. Then, to his navel and there he dallied. Jerry kept licking and kissing all the way toward the real target. He licked and kissed the tiny hole until Gabe moaned for more meaningful action.

Jerry started sucking on Gabe's eight inch tool, not wanting him to come as yet.

Suddenly the four-wheeler stops by the side of the road and Hanley announces, "Rest time for the night."

Both Jerry and Gabe were too busy to notice that the trailer was no longer moving. Hanley sat back to view the action of his friend. Gabe rested in bed facing up while Jerry performed an intricate docking maneuver and redezvou with Gabe's eight inch piston.

Gabe pulls himself up between Jerry's outstrechedthighs, gently circling the head of his great, hard organ around the senstive anus opening and slowly, eases it into Jerry's ass. He wedges his long, thick penis all the way up inside without the slightest difficulty. Jerry moaned and sighed savagely as he pounded his great buttocks down onto the prone target. Jerry skillfully pumped his buttocks up and down to take every inch of his great length. The young stud began pounding his rock-hard penis further and further in his anus. Now, in long, slushing thrusts, the husky youth began pumping his virility in and out so hard, that the trailer house moved and trembled with the pumping action.

Once he was fully extended into him, Gabe relaxed and they lay together with their hips locked as Gabe gently flexed his organ to let Jerry know that it was still there, encased in his ass.

The firey warmth of Jerry's ass and slushing thrusts and pumping action brought Gabe to a powerful orgasm.

Gabe's generous spurts of semen aroused Jerry's lust as he twitched and squirmed. A warm sensation penetrated Jerry's body. In great, surging squirts, Gabe's semen shot into the furnance of Jerry's hot anus channel.

Gabe was tired and went to sleep in a short time. Jerry and Hanley followed.

The first rays of sunlight brought our trio back on the road again and on their way to Kanton and Bay City.

BEAUTIFUL, SIMPLY BEAUTIFUL

fiction by jon greene

Nowadays, you can't get anywhere without a college degree. So on a cool autumn day, I decided to quit my job and attend college full-time. My main objective was to get a degree, then a good paying job would be easy to attain. I had the G.I. Bill behind me and a friend of mine, Mike, who liked the idea and talked me into letting him move into my apartment, to share expenses. I agreed to let him use the back bedroom but I was afraid that I wouldn't be able to do things that Mike didn't understand. He finally talked me into it and started moving in that weekend.

I was tired from lugging his furniture, so I went to bed early. The physical excertion was more than I was use to. About an hour later, I wanted something cold to drink. I didn't want to disturb Mike, so I tried not to make a sound opening my door. In the hallway, I noticed his door was partially open and his light was still on. I crept towards his room and peeked through the opening while Mike lie in bed reading a book. He had only his white briefs on and a slight buldge was starting to reveal his hard-on. Whatever he was reading, it turned him on.

He fingered his way through the front opening of his underwear, with a slight tug he pulled out his cock. It stood straight up and touched the waist band of his shorts. It had to be near seven inches tall; the small veins ran around the base and formed a network of tiny roads against the pinkness of the skin. The head of his cock swelled as the blood started to fill it up. He rolled his penis from side to side. His hand reached back into the recesses of his briefs and pulled out his two balls. Slowly he massaged them, while his cock jerked in agreement. Stretching the tight skin of the shaft to the head, he masterbated. Jerking faster, he laid down his book and rubbed his balls with his now free hand. His body tensed as he reached his climax. His cock was bright red with his veins ready to pop. The head of his penis grew bigger and then it shot it's load. The force of the cum was unbelieveable. The first stream flew over his body and hit the wall in great splashes. The rest landed on his chest in big white gobs. He had some semen accumalating around his hand that was still jerking his cock. It dribbled onto his briefs. He laid still for awhile. He squeezed the last drops out of his still-hard cock. Pulling off his briefs, he cleaned his cock and balls, using his shorts as a towel. You could hardly see any pubic hair. He seemed to be shaved. He turned off his night light, and I was left in the hallway with a lump in my throat and a buldge in my briefs.

Classes started in one week, so we celebrated Saturday night. We drank until we started falling over each other. I had more than I should have had but I felt great! I staggered to my room and fell into bed. It was a pleasant night with a cool breeze blowing through the window. I stripped down to sleep in the nude. I thought of last night and felt my cock get hard. I ran my fingers through the black hair in my crotch. I was hot.

Suddenly I heard the door to Mike's room open. My cock throbbed. Slowly my door opened and Mike stood there. I laid still and hoped he would think I was asleep. He came over and lightly nudged me. I moaned and froze. It seemed like he was checking if I was out. Again

he nudged me. He reached down for my cock. He examined it carefully, and I quivered. His other hand jigged my two balls. He pulled my cock slowly up and down. I opened one eye and saw Mike pull off his briefs with his left hand. His right hand jacked me off, while his left hand did his. My breathing was getting deeper and I opened my eyes a little more; he was too busy to notice. I was getting ready to cum and couldn't hold back any longer. I watched as I came upon my stomach. Mike was masterbating and he aimed his cock at mine. He let loose with a stream of white semen. It landed on my balls and mixed with my own cum. He stood there and listened to my breathing. Convinced that I was out, he left [the room. Then I slowly drifted into sleep.

Only a few hours went by before I awoke with a start. I could hear Mike walking about out in the hallway. The thought of him was starting to get me aroused. Then the door opened. I thought to myself that he just couldn't be horny again, but I was wrong. He tip-toed over to my bed with a massive hard-on. He didn't even stop to see if I was asleep. He took my cock into his mouth and gave it a hug with his tongue. He sucked it in and my cock sprang into action. This was the first time for me and my response was quick and rock hard. I was a quick cummer and shot off into his mouth. I laid there in estacy.

He rolled me over and climbed into bed. He had some cream and applied it to my ass-hole. He slowly put his cock in and I felt pain as my hole spread, admitting the intruder. He pumped in and out and I felt like I was in heaven. His penis got bigger as it pushed against the sides of my insides. Then it burst with a stream of hot cum. Then he collasped into bed. As he left the room, I lie thinking this was too good to be true.

The more I thought about it, the more I wanted to fuck Mike. I decided to make my move. I was nervous as I crept into Mike's room. It was a mess. On the floor was at least a dozen briefs. He had some paperback books and a few hard-core magazines of gay love.

I reached over and shook his shoulder. He didn't wake up. His penis was flacid and laid there across his balls. He finally woke up as I shook harder. He looked up to me. I was nervous and didn't know what to do. My cock knew. as it stood straight up. He asked me to sit on the edge of the bed. I didn't think I could go through with it. I couldn't cope with knowing I was gay. So I started to walk away.

"Wait, don't go. What's the matter? Don't be afraid. Liking a man isn't wrong. It can be beautiful, simply beautiful. God made man to love. He didn't say whom to love. Just don't hurt anyone and please don't feel guilty. Why don't you take a few of these books with you and see for yourself. If you don't like it you won't have to be brothered with it at all", Mike said. He handed me some books but I wanted to fuck his body. I had to. The forces within me was building to a head. Mike rolled over to let me decide for myself. I saw his tube of cream on the floor and picked it up. I greased my cock and mounted Mike. He was use to this, since I slid in without any trouble. I went in and out and felt my balls slap against his ass. This was my first time and I was enjoying it. Nothing was going to hold me back from now on. I could accomplish anything, because Love was beautiful, simply beautiful!
